Henry Ford Medal

Governor George Romney was presented with a silver medal and a bronze plaque, commemorating the State of Michigan and featuring the portrait of Henry Ford. Frank Darner, James Harper and Clark Keysor, owners of Presidential Art Medals, Inc., Englewood, Ohio, made the presentation to the Governor.

As part of a series of medals commemorating all of the States, an outstanding personage is selected to represent each. The person's portrait is placed on obverse with reverse side using the State seal.

Ralph J. Menconi sculptured the Ford medal.
